

Winter Nights

When the winter nights grow long
And the stars are shining bright
I will rock you in my arms
And hold you through the night

When the winter nights grow dark
And the stars are shining bright
I will rock you in my arms
Until the morning light

And my arms will keep you safe...
And the fire will keep you warm
And the song inside your soul...
Gives you shelter from the storm

Ten Tubby Snowmen

There were ten tubby snowmen
Standing in a row.
The sun started shining
And what do you suppose?
Two tubby snowmen said
"Phew it's hot!"
And they disappeared completely
'Cos they melted on the spot!

There were eight tubby snowmen.....etc

There were six tubby snowmen.....etc

There were four tubby snowmen.....etc

There were two tubby snowmen.....etc

Little Donkey

Little donkey, little donkey on the dusty road
Got to keep on plodding onwards with your precious load
Been a long time, little donkey, through the winter's night
Don't give up now, little donkey,
Bethlehem's in sight

Ring out those bells tonight
Bethlehem, Bethlehem
Follow that star tonight
Bethlehem, Bethlehem

Little donkey, little donkey, had a heavy day
Little donkey carry Mary safely on her way

Away in a Manger

Away in a manger no crib for a bed
The little Lord Jesus laid down his sweet head
The stars in the bright sky looked down where he lay
The little Lord Jesus asleep on the hay.

The cattle are lowing the baby awakes
But little Lord Jesus no crying he makes.
I love you Lord Jesus; look down from the sky
And stay by my side until morning is nigh.

Be near me Lord Jesus I ask you to stay
Close by me forever, and love me, I pray.
Bless all the dear children in your tender care,
And fit us for heaven, to live with you there.

Jingle Bells

Dashing through the snow
On a one-horse open sleigh
Over the fields we go
Laughing all the way;
Bells on bob-tail ring
making spirits bright
What fun it is to ride and sing
A sleighing song tonight
Jingle bells
jingle bells
jingle all the way!
O what fun it is to ride
In a one-horse open sleigh

Santa Claus is Coming to Town

You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Clause is coming to town

He's making a list
He's checking it twice
Gonna find out who's naughty and nice
Santa Claus is coming to town

He sees when you are sleeping
He knows when you're awake
He knows if you been good or bad

So be good for goodness sake

You better watch out

You better not cry

You better not pout

I'm telling you why

Santa Claus is coming to town

You better watch out

You better not cry

You better not pout

I'm telling you why

Santa Claus is coming to town

He's making a list

He's checking it twice

Gonna find out who's naughty and nice

Santa Claus is coming to town

You better watch out

You better not cry

You better not pout

I'm telling you why

Santa Claus is coming...

Santa Claus is coming... to town
