Write it!

Hundreds

Tens

Ones

1

8

6

Partition it!

100

80

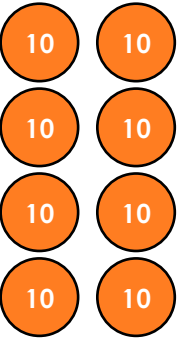

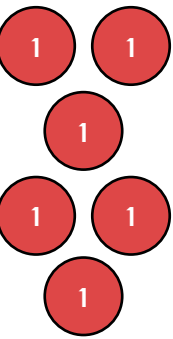

6

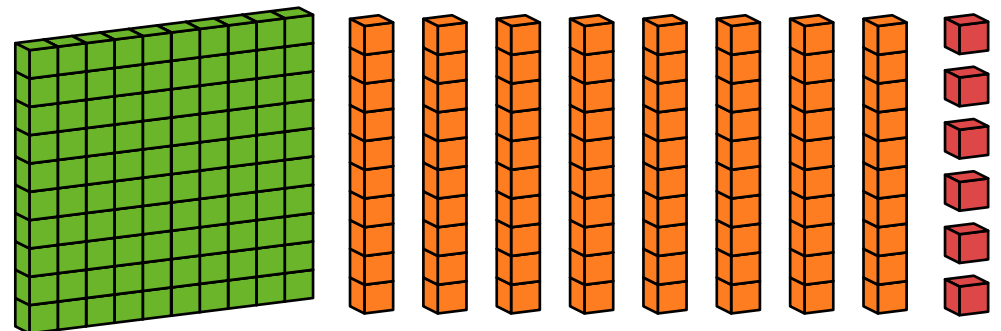

Say it!

one hundred and eighty-six

one hundred, eight tens and six ones

Model it!

Hundreds	Tens	Ones
		
1	8	6

10 more

Hundreds

Tens

Ones

1

8

6

When finding 10 more, you need to add 1 ten to the tens column.

1

9

6

10 less

Hundreds

Tens

Ones

1

8

6

When finding 10 less, you need to take away 1 ten from the tens column.

1

7

6

Compare it!

$$186 < 250$$

$$186 > 100$$

$$186 = 186$$
