

Letter to Parents from Muxton PTFA Chair

Good evening

We hope that all the children enjoyed tonight's disco.

Unfortunately we did have a few issues with offering cash and SCOPAY payments, leaving the shop until the end of the disco, as requested from parental feedback from last disco to allow more time dancing, this resulted in a 20 minute delay on exit of the first disco so we had to revert to opening the shop during the disco.

We have identified that the new entry and exit route also caused some issues with parents having children in other year groups, we can only apologise, this was put in place to reduce the queue at the main gate.

If you have any suggestions, concerns or positive feedback from our events please contact us through Facebook messenger or direct to our email address Muxtonpta@hotmail.com

Please remember, we are not part of the school and can't help with anything other than our events, fundraising and activities.

Thank you to the parents who have raised any concerns and suggestions directly to us, without constructive feedback we can't review, action and move forward.

Kindest Regards

Naiomi Harper
